

## Performance Based Programs

April 12, 2006

Version 1.0

### Unique Components

Program	Web Site	Unique Characteristics
Arizona Environmental Performance Track	Not Available	Advanced Pollution Prevention Program / Facility Program to use products from other members and a commitment to using environmental preferable products
Colorado Environmental Leadership Program	<a href="http://www.cdphe.state.co.us/el/elp/elphom.asp">www.cdphe.state.co.us/el/elp/elphom.asp</a>	Performance can be negotiated at less than the stated levels on a case by case basis / reduced requirements for small businesses
Delaware PRIDE (Principles for Responsible Industry in Delaware)	Not Available	Specific metrics included for applications and annual reporting (e.g. toxics release inventory, hazardous wastes, water use, etc.)
Georgia Pollution Prevention Assistance Division	<a href="http://www.p2ad.org">www.p2ad.org</a>	Cross departmental team for EMS / baseline data for all indicators (not just commitments) / supply chain commitments required / 2 mentoring activities / 3 of 6 specified community activities
Maine STEP-UP (Smart Tracks for Exceptional Performers and Upward Performers)	<a href="http://www.maine.gov/dep/oc/stepup/index.htm">www.maine.gov/dep/oc/stepup/index.htm</a>	3 year phase in for EMS for some companies / top level companies required to establish mentoring relationship with entry level companies /
Michigan Clean Corporate Citizen	<a href="http://www.michigan.gov/deg/0,1607,7-135-3307_3666_4134---,00.html">http://www.michigan.gov/deg/0,1607,7-135-3307_3666_4134---,00.html</a>	in addition to environmental performance, facilities report cost savings / compliance and pollution prevention record for public review 30 days before acceptance / very rigorous enforcement review
Missouri Environmental Management Partnership (MEMP)	Site No Longer Available	Must follow waste management hierarchy for future goals /
New Mexico Green Zia Program	<a href="http://www.nmenv.state.nm.us/Green_Zia_website">www.nmenv.state.nm.us/Green_Zia_website</a>	Based on the Baldrige Award Criteria / Applications are scored / Limits on operating subunits / disclosure of both environmental results and financial benefits / Local business mentoring expected / Customer, supplier and contractor involvement expected / Employee training and development emphasis
North Carolina Environmental Stewardship Initiative	<a href="http://www.p2pays.org/esi/">www.p2pays.org/esi/</a>	EMS integrated into core business activities / commitments commensurate with the nature, scale and environmental impact of the business / demonstrated procedures for community communication / agree to mentor facilities in the first two program levels / site visits accompany application
South Carolina Environmental Innovations Pilot Program	<a href="http://www.scdhec.net/eqc/admin/html/env_innov.html">www.scdhec.net/eqc/admin/html/env_innov.html</a>	Modeled after Wisconsin's Environmental Cooperation Pilot Program / Interested persons group for community engagement / baseline report within 180 days of agreement /

**Performance Based Programs**  
**April 12, 2006**  
**Version 1.0**  
**Unique Components**

Program	Web Site	Unique Characteristics
Tennessee Pollution Prevention Partnership	<a href="http://www.tdec.net/ea/tp3/">www.tdec.net/ea/tp3/</a>	5 categories for past performance / annual success story for future performance / required mentoring of another organization / periodic site visits / continuous membership
Clean Texas	<a href="http://www.cleantexas.org">www.cleantexas.org</a>	Community based programs implemented in EMS / Agency audit of EMS or review of third party EMS / alignment of top level with USEPA Performance Track
Clean Utah	<a href="http://www.deq.utah.gov/cleanutah">www.deq.utah.gov/cleanutah</a>	Panel review of applications for progression to higher tiers / performance based on projects in targeted areas / membership term based on continuous project work
Virginia Environmental Excellence Program	<a href="http://www.deq.state.va.us/veep/homepage.html">www.deq.state.va.us/veep/homepage.html</a>	Incentive law for alternate compliance methods / pollution prevention program in place / annual report requirement for demonstrated update of EMS
